This conspicuously is attempt to rationalize for denials and procedurally harass. Everything was clear concerning your alleged inquiries here. I'm not accepting this to cover legal liabilities . I do not have time.... don't harass me anymore. I am too busy. You should have responded. You did not. This is all malicious in a conspiracy to commit infractions referred to. You need to be replaced with competent staff also. This has been ridiculous. Now I am trying to get my birth certificate and prepare for my cases. Leave me alone... obsessed from electronic surveillance... trying to overburden.
